

## **Over 1500 downloads**

Nlstart,

EasyShop has reached a total of over 1500 downloads!

The download section and download mirrors appear to be very popular. Pfew, and EasyShop is still in just the Release Candidate phase. In the meantime there is still work in progress on RC4... which will (amongst other improvements) give you and your customers better control over the shopping cart.

Here's the breakdown to the detailed figures of all downloads:
