**New way to say 'thanks'**

nlstart,

A new way to say thank you has been introduced in the [NLSTART shop site](). You can order a T-shirt image (**NOTE:** NOT a real T-shirt) as a demonstration of the power of the downloadable product functionality within EasyShop.
See it as another way to donate to NLSTART and say 'thank you' and get a demonstration the downloadable product feature of the EasyShop plugin in return for your contribution!

Buy a T-shirt image!

See  and order the whole collection.
